Preschool Gymnastics
Ages 3 to 5 Year Olds

The children will experience the 4 events of gymnastics - tumbling, vault, balance beam and bars. In our lesson plans we will be using our imagination to incorporate learning new gymnastics skills and making new friends.

School Age Gymnastics
Ages 5 to 12 Year Olds

Top quality gymnastics taught in a positive and encouraging environment. Each child is progressed at his/her own pace. Our goals for our students go beyond pointed toes and proper body alignment. We also promote self-confidence and a life-long love of fitness.
